

MANAGING FIELD TRAINING & EVALUATION PROGRAMS

for Law Enforcement & Public Safety Agencies

AUGUST 25-27, 2026
ALBUQUERQUE, NM

Sponsored by
Pueblo of Sandia Police Department

Failure To Train Should Never Be An Option

This comprehensive two and a half day 20-Hour course focuses on Managing/Coordinating FTO, CTO, and DTO programs within an agency that is directed at addressing critical training standards and best practices for a training program to be successful.

INSTRUCTIONAL AREAS

PROGRESSION OF TRAINING PROGRAMS

From past to present, how the San Jose Model formed the basis for training programs and exploring today's more progressive models that are being used.

LEGAL LIABILITY IMPLICATIONS

Defining training liability is a critical factor in today's law enforcement and public safety environments including program management, employment civil rights, negligence, and termination processes.

PROGRAM GOALS & ROLES

Successful programs define a clear process for program administration, hiring, training, evaluation mandates, and standards.

STRUCTURAL PROGRAM COMPONENTS

Structure and management of a program can mean the difference between success and failure that includes selection of trainers, departmental incentives, policy and operational manuals, forms, documentation process, files, records, and tracking.

AGENCY PERSPECTIVE FOR TRAINING THE TRAINERS

Recognizing the importance and methodology behind training the trainers and shift supervisors while having good mentoring and leadership to maintain program consistency and standards.
